ABOUT US

Founded in early 1983s, Tangshan Glory Shovel Manufacturing Co., Ltd. registered a capital of CNY5,100,000 in 2002 with a floor space of 36000 square meters. At present, the company is leading in production capacity, equipment and technology both at home and abroad.

The company prides itself on 13 advanced production lines (3 for spade shaping, 2 for hoe forging, 5 for CNC intelligent coating and painting, 1 for other forging and pressing, 2 for wooden handles) as well as advanced equipment such as CNC intelligent welding and CNC intelligent forming for wooden handles.

The company has an annual output of 12 million items. Our products include complete specifications of steel shovels, picks, hoes, rakes, forks, wooden handles for matchet and other farm and garden tools which have been widely used in agriculture, gardening and construction industry. Our products are best-selling at home. In addition, they are also exported to South America, North America, Europe, the Middle East, South Korea, Japan, Australia, Africa, Southeast Asia and other countries and regions.

Our steel spades can bend as much as 70 degrees without deformation. We boast the rigidity and elasticity of our products, which rank the first in the shovel line. Our products were awarded "Premium Quality Product of Hebei Province" in 2001. We passed ISO9001 Certification since 2013.

With the philosophy of "Quality for Survival, Reputation for Development" and the attitude of "Responsibility for Customer and Product", the company has experienced 37 years of development under the operation mode of "High Quality but Low Cost". In future, we are looking forward to cooperating with you for mutual benefit and common development and creating a brilliant future jointly.
